

Farm Hazardous Waste

Collection Centres, Locations & Charges

OCTOBER & NOVEMBER 2015

Collection centres will open from
9:30am to 3:30pm

The Environmental Protection Agency (EPA) has teamed up with Teagasc, the Department of Agriculture, Food and the Marine (DAFM), Local Authorities, WEEE Ireland, European Recycling Platform (ERP) and Enva Ireland Ltd. to operate ten collection centres for the collection of farm hazardous waste across the country during October and November 2015. This provides farmers with an excellent opportunity to dispose of their hazardous wastes in a manner that protects human health, livestock and the environment.

Pesticides and biocides; veterinary medicines and animal health-care wastes; needles and syringes; waste paints; aerosols; corrosives (acids, detergents); oil and air filters; oily wastes; brake fluids; brake pads; antifreeze; adhesives; coolants; grease cartridges; creosote	All charged at €2/kg (excl. VAT@ 13.5%)
Contaminated empty plastic containers (which would have contained for example pesticide; biocides; dairy hygiene products; paints; waste oil; antifreeze; creosote etc.). Container sizes will include 1 litre; 5 litre; 10 litre; 15 litre; 20 litre; 25 litre and 205 litre	€4/kg (excl. VAT@ 13.5%)
Waste engine oil and waste hydraulic oil including their containers which are used for the transport of these waste oils to the collection centre	Free of charge
Waste electrical and electronic equipment (WEEE) (e.g., TVs, computers, fridges, freezers, power tools, kettles); all batteries and fluorescent lamps including CLFs	Free of charge

Guidance for farmers... on handling, segregation, packaging and transporting

 <p>1. Each waste type must be clearly identifiable, segregated and packaged to avoid leaks during transport and off-loading</p>	 <p>2. Only identified wastes will be accepted; wastes which cannot be identified or clearly labelled will NOT be accepted</p>	 <p>3. Waste engine and hydraulic oils should not be mixed with any other substances including vegetable oil</p>	 <p>4. Mixed wastes will NOT be accepted on site</p>
 <p>5. All needles and syringes to be delivered to the centres in a separate sealed container</p>	 <p>6. Payment by cash, cheque or card required on the day. All wastes will be rounded to the nearest kilogram.</p>	 <p>7. Farmers are responsible for all their farm hazardous waste until Enva confirms acceptance of waste.</p>	 <p>8. Farm plastics such as silage wrap, fertiliser bags clean pesticide & dairy hygiene containers will NOT be accepted, recycle these at your local farm plastic recycling bring centre</p>

For further information on the farm hazardous waste collection centres visit www.epa.ie or LoCall: 1890 33 55 99
